Serving the Hudson River with Pride for 40 Years

A Message from Our President

First I want to thank all those who helped to make the Strawberry Festival a success. I wish to particularly thank those who managed the waste disposal as they did a wonderful job as we move towards zero-waste. We raised over \$10,000.

We have done well fundraising this year even in the face of repairing the club house. Our bank balance should be over \$120,000 by the end of the Year. We need approximately \$200,000 to repair the Woody Guthrie and have funds to cover operating expenses. We still have \$500 left on the challenge grant which provides a match for donations of \$100 or more.

We have a brief break before the next two festivals. The Two Row Wampum Festival is Saturday August 3 from 11 am to 8 pm and. There will be a meet and greet wine and cheese party at my home Sunday July 14 at 3 pm for those who wish to volunteer for the Two Row Wampum Festival.

The Corn Festival is Sunday August 11 noon to 5 pm. We will need lots of volunteers as we are moving to Riverfront Park this year as we continue to grow. I can't wait to taste that hot buttered sweet corn and have a bowl of chili. The only thing we lack is home made ice cream. This year will see the waterfront filled with activities, by Hudson River Rising, Clearwater, and the Our Hudson Barge, at the docks. I also wish to remind people to fill up a basket for the raffle. Last year we raised \$500.

There will be a Woody Guthrie concert fund raiser at the Town Crier in Beacon 7pm August 15. Tickets are, \$25. Advance purchase is highly recommended.

The Woody Crews did a great job getting the Sloop in the water for the Strawberry Festival and the Clearwater Revival. They gave free sails to over 180 people this year at the revival.

We had an inspection by the fire department, the building department, and the Beacon health Department. You will see new exit signs and new smoke and fire detectors and new fire-extinguishers. There were no complaints about the building repair.

Jim Krivo a long time Beacon Sloop Club member and community activist against fracking, for peace, and a co-chairman of the Beacon, Two Row Wampum Festival died last weekend. We will miss him and the work he was doing.

David Eberle, President

Beacon Sloop Club General Meeting Minutes, July 5, 2013

The meeting began at 7:25 with a song written and led by Michael Scolnick. First time visitors to the Sloop Club were welcomed from Florida, New Jersey, New York City, and China. David Eberle said the Strawberry Festival was a great success and roughly \$10,000 was raised. Acting for Sarah; David also gave the Treasurer's Report. The club has \$111,000 in the bank but still has a ways to go for Woody repairs.

Tom LaBarr gave the Woody Report. The boat has been taking guests on some nights of the week. The club is looking for new crew members. To become a crew member, contact the Woody captains. Those who aren't interested in crewing are welcome to sail the boat as guests. David Eberle thanked sailors for getting the boat to the Strawberry Festival and Clearwater Revival. James Malchow reported that the Woody did twelve(14?) sails at Revival and took out 187 guests.

Saul Rozinsky reported for the Building Committee. The clubhouse passed an inspection by the Beacon Fire, Health, and Building Departments with flying colors. We also have new fire extinguishers and fire alarms. Saul said volunteer work to put stone behind the stove will occur when the weather is less hot. David Eberle thanked Susan Bozso for making replacements for the club's curtains. Susan said anyone is welcome if they'd like to help her.

Joyce Hanson said that Thursday, August 15th at 7:00 p.m. will be the second annual Woody Guthrie Concert at the Towne Crier Cafe on Main Street in Beacon. David Bernz, Jacob Bernz, and others will perform. Most tickets will be sold online.

David Eberle announced that on August 3rd the Two Row Wampum Festival will be in Beacon. The festival commemorates the first treaty between the Dutch and Iroquois. Any volunteers would be appreciated. There is a party for volunteers at David's house on July 14th. Anyone interested can contact David.

Bonnie Champion and Rosemary Thomas reported on the Corn Festival. Bonnie said the Strawberry Fest was a great success due to everyone's participation and we're looking for lots of volunteers for this festival as well. There is a planning meeting on July 10th at 6:30 at the Sloop Club. Bonnie said the Dakota Riders will be there. Bonnie also encouraged club members to make different themed basket of goods to raffle at the festival. They can also ask local businesses to make donations of goods for the baskets.

Announcements

It was announced that on Saturday, 7/6 there will be a peace gathering at the corner of Rt. 9 and Rt. 9D in memory of Rich Carlson and Jim Krivo.

Maryellen Healy announced that she has copies of the Broad Old River 2 CD for sale. All proceeds are divided equally for maintenance of the sloops Clearwater and Woody Guthrie.

Nora Gallardo announced that there will be a party at her house on July 12th for a Caravan to Cuba. They are sending food and medical supplies and hope for an end to the American embargo. She is making a Cuban style dinner. Contact Nora or Eugene Hamond for details.

In Memoriam Jim Krivo

Jim Krivo, valued member and friend, passed away on June 30th. It's hard to believe that he moved to Beacon just three years ago. In that brief time he became a fixture at the Sloop Club.

A retired physician who believed in making the world a better place, Jim was committed to and passionate about many causes. From peace vigils, to anti-fracking rallies, he was always on the frontline. It was truly amazing to see so many people from so many different local organizations come out to honor his memory last week.

Whether at the circle of song with his guitar, on the foredeck of the Woody, or working at a festival, he was a positive force in the club who will be missed by all his friends.

HUDSON RISING, 2013 RIVER TOUR | STAND IN THE PLACE WHERE YOU LIVE

About Hudson Rising: The Hudson Rising River Tour has been building momentum since the 2009 Quadricentennial, starting with the collaborative OurHudson, which produced a 2-year barge-based public listening tour, developed

priority reports that were used by the Mid-Hudson Sustainability Consortium, and commissioned the documentary [Hudson Rising](#), which will air on PBS this year. The mission of the Hudson Rising River Tour is to engage more people on the future of their cities while driving tourism around our green industries.

Hudson Rising celebrates our greening cities with heritage ships, farm feasts, and outdoor adventure, while engaging people with interactive exhibits, film screenings, interesting talks, and hands on environmental programs. We strive to inspire folks of all stripes on the catalyst projects -- i.e. Walkway Over the Hudson, Beacon Incline, Science Barge, greenways, etc -- that are pointing us towards a greener economy.

Hudson Rising represents an unprecedented collaborative effort of local agricultural groups, environmental groups, Empire State Development's I LOVE NY program, the Hudson River Estuary Program, the Mid-Hudson Sustainability Consortium, Hudson River Valley Greenway and others to promote the HRV brand around the region's natural and historic assets, which are so critical to attracting visitors and businesses, and creating new and greener jobs.

TWO ROW WAMPUM FESTIVAL

SAT, AUGUST 3RD, RIVERFRONT PARK

WWW.BEACONTWOROW.ORG

TWO ROW WAMPUM CANOE FLOTILLA IS COMING TO BEACON ON COME AND BE A PART OF THIS HISTORIC EVENT!

Two Row Wampum Renewal Campaign is a statewide education and advocacy campaign. Neighbors of the Onondaga Nation, the Onondaga Nation and a growing list of co-sponsors are building on an effort to celebrate the 400th anniversary of the first agreement between the Haudenosaunee (Iroquois) and Europeans. The Two Row Treaty outlines a mutual commitment to friendship, peace between peoples, and living in parallel forever. The Haudenosaunee have increasingly emphasized that protecting Mother Earth is a fundamental prerequisite for this continuing friendship.

A focal point of the campaign will be a symbolic "enactment" of the treaty with Haudenosaunee people (along with other native friends) and non-native allies paddling side-by-side down the Hudson River. They will start in Albany on July 28, 2013, stop along the route for educational and cultural events, and arrive in New York City on August 9 at the United Nations for Indigenous Peoples Day.

On Saturday, August 3rd the canoes will land at Long Dock in Beacon. A local group of hard working supporters are organizing a day long festival at Riverfront Park to welcome their arrival. There will be two stages hosting Native American music, storytelling, food, authentic crafts, a childrens area, ceremonies and much much more!
